Message

Dear Governor Cooper,

I voted for you for sanity in public policy. Please actively oppose any pipelines in our beautiful state. They harm communities, water, and landscapes, and they contribute to the archaic use of fossil fuels--we have to change direction to clean renewable energy. I ask this also for our children and grandchildren who will have to live with our present-day decisions. Please do the right thing. Thanks for considering my viewpoints. Sincerely,  
James Stone
